

HSD Attendance Campaign 2021-2022

Game On!

Our 2021/2022 Attendance campaign is

#attendancerebound

We are excited to implement an incentive to promote good attendance. Having a chance to win something makes anything more fun, Right?

Please Join the team!

You can help by promoting the campaign which starts in October. If your student is chosen please make a boisterous announcement in the classroom.

Incentives plan will be a monthly drawing to win a basketball

Students who qualify for a ticket will be called to the office during the morning announcements and given a ticket, they will fill out the ticket in the office and place it in the collection container

Two Ways to WIN!!

1 Classroom who has the best attendance average for the month

(Classroom can decide if it is a classroom ball or a raffle within the classroom to give it to an individual student)

*RSJ and MM will pick two individual tickets for basketballs

2 Students who have perfect attendance earn a ticket to win an awesome green basketball

Improved Attendance always deserves a *SHOUT OUT!*

Improved attendance always deserves a shout out, please include these students in these promotions as well. You can always tweak this promotion as needed. You will be given extra tickets to use for students you know are trying their best with attendance.
