

December 2021

Hollister School District's Employee and Students for Board recognition from Cerra Vista

Certificated Employee

Jeff Deacon, 4th-grade teacher

Cerra Vista recognizes Jeff Deacon as our Certificated employee of the month. Jeff works hard to support all of his students no matter their academic level. He gets his students to grow despite having many of them needing extra support. He displays a good attitude at work and with the staff around him. It is without surprise that Jeff was nominated by her peers for Hollister Certificated Employee for board recognition this month.

Classified Employee

Adina Austin, Mental Health Therapist

Adina is brought forth to be recognized as Cerra Vista's Classified VIP this month. Adina jhas provided Cerra Vista students, families, and staff unwavering support during this tumultuous time of in-person learning. She not only does she attend daily to a multitude of students' mental health needs but she is an instrumental contibutor of HSD's Social Emotionl team. She has an exceedingly positive rapport with the students and staff. We are proud to recognize Adina as our Classified Employee from Cerra Vista this month.

Student of the Month

Hailey Krawisz, 6th grade

If the sign says "Hard Work Ahead," Hailey Krawisz cinches up her backpack and keeps on going. Hailey is diligent; she sets out to do a job, and she will do her best. I once thought I saw her frown, but it was just a questioning look that turned into a chuckle when she found her answer.

Student of the Month  
Jack Preader, 7th grade

Jack Preader is a seeker. He is determined to find information, to meet a new friend, to try a new game. I think of the word "BRAVE" when I think of Jack because he doesn't show fear...he just GOES! Of course, he is bubbling with optimism which makes him a magnet; it feels great to be around Jack.
